Like new and move-in-ready! This inviting home is the Seaton floor plan and was built by Sabal Homes. It is located in a neighborhood that is very family oriented and sits on a desirable lot that backs up to wooded wetlands, giving you lots of privacy. As you enter the home, you'll notice the spacious rooms and newly painted neutral colors on the walls. The formal dining room has great natural light and is large enough to fit your formal table and a hutch or buffet. The spacious kitchen comes equipped with plenty of cabinet space, granite counter tops, a kitchen island, a great pantry for storage & recessed lighting. The bright open family room is right off the kitchen, with access to the outside screen porch and is a great area to entertain family and friends. This beautiful home has all new carpeting upstairs where you will find a very spacious master bedroom with a closet, master bath includes a walk in closet, and three additional nice size bedrooms. The 2 car garage, with gives you plenty of space for parking & storage.
