

NEW Listing

531 TRUMAN DR
GOOSE CREEK, SC
29455

Beautifully maintained 3-bedroom, 2.5-bathroom END-UNIT townhome in the heart of Goose Creek. This home is designed to impress with thoughtful details like a cozy corner fireplace, wood wall shiplap touches throughout, and an open floor plan that maximizes space and natural light. Key Features Include: Granite countertops, stainless steel appliances, and an updated marble subway tile backsplash. Adjacent to the kitchen, the dining room offers views of the sliding glass doors leading to the concrete patio—perfect for outdoor relaxation. There is no carpet on either floor...you'll find luxury vinyl on the main level and SmartCore vinyl plank upstairs. Neighborhood pool!
