

ALL THE BELLS AND WHISTLES!

54 Shem Drive

Brookgreen Meadows ~ Mount Pleasant
MLS# 17002175 ~ \$570,000

Beautiful double front porches make this house a summertime delight! Walk into the hall from the front porch; to the left is a study/bedroom with a full bath. Down the hall you come into the great room with lots of windows, a huge pantry and island, with doors that take you into the fully fenced private backyard. You can sit out on the porch or putter in your garden. Both front and back yards are large enough to enjoy without a lot of yard work. Quartz countertops, stainless appliances, gas stove, tankless water heater, wide plank engineered hardwoods throughout. Head upstairs to the three bedrooms and two full baths. Washer/dryer upstairs. Master has front porch across the whole front of the house. Please see documents for add'l information.
