As the town of Hanahan experiences the beginnings of revitalization, the residential neighborhood of Charleston Farms is following suit with Pilgrim Square: three sturdy homes with efficient lots nestled onto Pilgrim Avenue. Chosen for its walkability to Hanahan schools and a cozy downtown with big plans, the site is perfect for those living and working anywhere in Charleston. Its central location provides easy access to civilian and military employers, local communities of Park Circle, Mount Pleasant, and Summerville, and is even a quick drive to Downtown Charleston and Isle of Palms. Constructed with modern appointments and custom finishes, the homes of Pilgrim Square are perfect for any living arrangement. [MLS#22004159](#)
