Move-in ready home on cul-de-sac lot with mature landscaping on a beautiful pond has a light and bright atmosphere, an ultra-open floor plan and the absolute ultimate in a convenient location. The gourmet, eat-in kitchen includes gleaming stainless steel appliances, solid granite countertops with breakfast bar and over-sized counter space to give you plenty of room to prepare your culinary creations. The handsome tile kitchen floor stretches out to the eat-in area of the kitchen with oversized bay windows that enable you to feel at one with the private back yard and sun-sparkled pond. The light, bright feeling throughout the home is further accented by light wood-laminate flooring and stately plantation shutters. The open floor plan flows effortlessly from the kitchen to the oversized great room with a roaring fireplace that serves as a centerpiece for entertaining and family gatherings. The 5 upper level bedrooms are anchored by an oversized Master Bedroom suite complete with extra-ample walk-in closet space and a "spa-like" Master Bath with double vanities, sunken Garden tub and separate large shower. Abundant storage space throughout the home is complemented by an attached two-car garage. The Rice Bay amenities offer abounding opportunities with the crystal-blue neighborhood pool, tennis court, club house, play-park and miles of walking trails. Nearby award-winning schools, sun-kissed world-class beaches, downtown Charleston history, five-star dining and shopping as well as an easy commute to Boeing, Blackbaud and the airport make this the ultimate in both tranquil living as well as a location that puts you in the middle of the best that greater Charleston has to offer. Yes, this can all be yours for a terrific value. Claim your stake on a life lived without limits before this opportunity slips away.
