Spectacular one-of-a-kind Lowcountry luxurious home on the expansive lake of thought-after Pleasant Point plantation. Located on almost two acres, it offers much privacy and seclusion among natural beauty. As you enter the gracious foyer, you are wowed by the large windows and the stunning water views from all living areas and the master suite. The gourmet kitchen is spacious, open and ideal for entertainment. Magnificent built-in granite-topped lighted china cabinet between the kitchen and dining room. The comfortable living room features tall ceilings, a cozy brick wood fireplace and custom built-ins storage. The roomy master suite is on the first floor and French doors open to the 700 sqft. Lakeside screened porch. Community amenities include a clubhouse for social gatherings, 18-hole golf course, two tennis courts and a salt water pool complex. A must see!!
