Inside, timeless touches like gleaming hardwood floors, crown moulding, and smooth 9' ceilings create warmth and elegance. A cozy fireplace anchors the living room, while the heart of the home - a spacious kitchen with double ovens, a 36" gas stove, and a large island - invites cooking, gathering, and entertaining. The separate dining room is ready for holidays, celebrations, and everyday family dinners. The primary suite is a true retreat, featuring a vaulted ceiling, abundant natural light, and two walk-in closets. Outdoors, a full front porch welcomes neighbors with Southern charm, while the rear deck with grill hookup is perfect for summer barbecues and evenings under the stars. An outdoor storage building keeps everything neatly tucked away.

This home has been lovingly cared for with thoughtful updates: electrical wiring upgrade (2015), UV filter installed in the air handler, ductwork cleaned in 2024, Crawl Space Encapsulation including Dehumidifier was done in 2024, and a tankless hot water heater. Every detail has been designed to ensure both comfort and peace of mind. Whether it's morning walks to the water, afternoons on the porch, or evenings gathered around the fire, this home offers a lifestyle that is hard to match. Welcome to Old Village Landing - where community, convenience, and charm come together.
