6 Legare Street South of Broad

This historic home was completely renovated top to bottom in 2014, including replacement of all major systems and full interior and exterior refurbishments. Highlights feature a fully remodeled kitchen with top of the line appliances, all new cabinetry, 200 bottle wine storage, as well as the heated tile floor throughout. The family room, adjacent to the kitchen, offers a new centralized, digital entertainment system that extends to all floors and rooms, new gas fireplace, and new window treatments. The master bedroom has been renovated to include a modern master bath. The gated garden has been redesigned and features a renovated garage with secure off-street parking.
