Charming Moreland brick cottage lovingly cared for with a great floor plan that makes for an easy flow. The kitchen is outfitted with beautiful cabinets, stainless appliances, gas range and a wine frig. Running behind the dining room and living room is the hallway that leads to 3 bedrooms. The smaller middle bedroom's closet contains the washer/dryer that was relocated from the garage. Off of the kitchen is a room that is currently being used as a den but could easily be used as a 4th bedroom with its own full bath and entrance! HVAC and roof new in 2016. The crawl space was encapsulated in 2018 with a dehumidifier added, duct work was also replaced. No water problems with the past events in the last couple of years.
