Have you been issued a dirty CL-100 due to moisture & mold?

Has your pest control company told you that encapsulation and dehumidifiers are the only way?

If you receive a dirty/failing letter, it's the picture of the home. Now it's correction time!!

****Tremex can get you a clear to close report on any encapsulation quote by *saving you 40% off the quote* as it relates to wood moisture level. ****

You may ask....

Is it worth your time to get a quote from us?

- You'll get a 40% reduction of your written quote!
- A clear CL -100 will be issued after our services have completed.

What do you have to lose by not calling Tremex?? =>=> \$\$\$\$
