Charming custom home located on a lovely pond in Olde Park. The home has a spacious downstairs master suite, an open floor plan and a large screened porch all overlooking the pond. The original/current owners designed and built this home to be full of light with a soaring ceiling in the living room, a family room adjacent to the well appointed eat-in gourmet kitchen and an additional first floor bedroom ideal for family, guests or an office. Included on the first floor are the Butlers pantry and a utility/ mudroom convenient to a two car garage. Upstairs, two bedrooms are joined by a Jack n' Jill bath. This well designed home creates both formal and informal spaces along with a delightful and expansive screened porch perfect for entertaining family and friends.
