Welcome to beautiful Wakendaw Lakes! In the heart of Mt. Pleasant, close to restaurants, shopping, grocery stores, the library and only 15 minutes to downtown and beaches. This lovely home with the master down, not only has major "living" space, and a roomy kitchen but also 3 other large bedrooms, with generous closets and storage that you can't believe, and an office (or 5th bedroom)! The media/rec room is approx 21 x 20 and will be enjoyed by all! One of the larger homes in Wakendaw, it sits on .35 acre and has beautiful views of the pond it sits beside. This home has been updated and meticulously cared for. The wrap around screened porch is ideal for get togethers or just relaxing and watching nature outdoors. A large carport in the back of the home provides shelter for up to 4 cars and a golf cart if you have one! Wakendaw is a great community! Children's events are held at the holidays, and Food Truck Fridays are fun for all....just a couple of extra reasons to come make this home yours!
