

Kiawah River

CHARLESTON SEA ISLANDS

WHERE YOUR DREAM HOME MEETS RIVER AND SKY

8127 Jack Island Drive, Johns Island

A special opportunity to build along the waters of the Great Oak Basin in Kiawah River, this distinctive homesite offers sweeping rear water views and a front-row seat to the community's beloved roseate spoonbill nesting tree.

Framed by a preserved wetland buffer and live oak park that will remain untouched, the setting offers rare privacy and an ever-changing display of wildlife—an ideal canvas for a home designed to capture river breezes, sunset skies, and the quiet rhythms of life along the water.
