

Best Deal in Hibben

If HGTV were to air an episode called "Best landscaped and decorated homes of 2012" this home would definitely be featured! The first thing to catch your eye is the artistically manicured front yard, symmetrically perfect and bursting with color. Two tall palm trees frame the walkway up to the adorable front porch where you and a loved one can sit under cover for hours while sharing your morning coffee. Fantastic kitchen complete with recessed lighting, stainless steel appliances, ceramic tile backsplash and lots of cabinets for storage. Den provides a great place to entertain or just kick back by the gas fireplace with tile surround. You'll love the hardwood floors, crown molding, many built-ins and CAT5 structured wiring for lighting fast Ethernet connections. Master retreat has a stunning tray ceiling, walk-in closet and sitting room loaded with built-in storage. The master bath boasts a walk-in shower, dual vanity and Jacuzzi tub. The private backyard features a stone patio, is completely fenced in and can be enjoyed from the covered deck found off of the master suite. The community of Belle Hall has so much to offer from two community pools, a playground, basketball courts, volleyball, walking trails, tennis courts, the club house and dock facilities for all the water enthusiasts. This home is conveniently located a block away from Hibben's very own playground and dog park.
