

# A PLACE TO BUILD MORE THAN A HOME

*8237 Jack Island Drive, Johns Island*

This exceptional homesite places you at the heart of Kiawah River's outdoor lifestyle, where marsh views, winding trails, community docks, and luxury amenities shape daily life. It's a rare opportunity to design a custom home that feels both private and connected—set within a community that reflects both the beauty of the Lowcountry and the lifestyle that defines it.

**.15 ACRE | LUXURY AMENITIES | NATURE TRAILS | AGRIHOOD | \$380K**
