Looking for a fabulous home in the hottest neighborhood in Charleston with an amazing work-from-home situation? Well you've found it, in the heart of Wagener Terrace, mere blocks from Hampton Park & Corrine Jones Garden & Park! Hardwood floors throughout the entire home, upgraded lighting, fresh paint and cute details through the whole home. Master suite includes a huge walk-in closet and beautifully redesigned master bath. In the kitchen you'll find granite counters, upgraded hardware, SS appliances and great flow to the dining area. The large living room plus bonus room give great space & the 2 spacious bedrooms share a refreshed hall bath. Completely detached from the home you'll find the 2 office suites, amazing for a work-from-home, studio or gym space. With full light doors to offer great sunlight while set in the fenced-in backyard (lawn maintenance included), underneath mature trees, this space offers all the comforts of an amazing office without leaving your yard.
