HISTORIC SUMMERVILLE...priced WAY under appraisal!! This is a GREAT opportunity to get into the HISTORIC DISTRICT for an amazing price! Built around 1949...this home has been extremely well taken care of.

Lots of recent improvements on this home include electric rewiring, new plumbing, heating and air. HEART OF PINE floors under carpets, separate formal dining room, large bedrooms, and a HUGE attic with great potential for more square footage make this home ideal!!

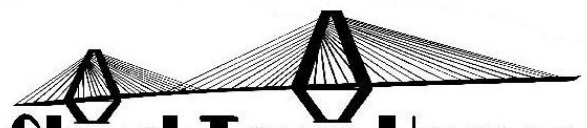

Conveniently located a couple blocks from Azalea Park, Downtown Summerville, and much more!! Almost a HALF ACRE!! The 3rd bedroom was most recently used as an additional living area but could easily be converted back.
