Stiles Point | Charleston, SC 29412
MLS# 26006161 | \$2,995,000

Tucked away at the end of a quiet street in the Harbor Section of Stiles Point Plantation, this marsh front home offers wide views across the Lowcountry marsh and direct access to a tidal creek with a private dock. The setting provides an ever-changing backdrop of water, wildlife, and coastal landscape while remaining just minutes from Downtown Charleston. The main living level is centered around an open floor plan with vaulted ceilings and a wall of floor-to-ceiling windows that frame the marsh and fill the home with natural light.
