

938 W Oceanview Rd
Oceanview
Charleston, SC
MLS# 1208406
\$1,099,000

Please Note: This is two HOMES!

The entire front portion is the Main House, there is another residence behind the big house, separated by a breezeway (see pictures) Price was just dropped again because owners are motivated and interested in an offer! Strategically designed for ultimate privacy while in any room in either home. The Main house is an Executive home 4 bedrooms 4 baths. The additional home is two bedrooms and one bath. It is ideal for a family member or for a rental property. The Main home overlooks Clark Sound. Be in the Intracoastal Waterway in minutes from this location, IF you want to leave at all! Located just minutes from Folly Beach and a short trip to downtown Charleston. The detail and design is very unique and very attractive. Live in one and rent one. This is one fantastic arrangement in a Great Location. The property across from the house(s) The spit, is part of this property and a dock permit has been granted. Decks are perfect for the wonderful breeze and beautiful views. Watch the dolphin swim by! Please verify any information offered, including but not limited to square footage and school district.
