Charming inside and out! Master Down, wide open floor plan and walk to the pool! Laminate Wood Flooring throughout the first floor, reaches into the HUGE vaulted master suite as well. Separate Dining room. Wide open EAT IN white kitchen w corian countertops and island. Vaulted ceilings add drama to the space. The cook won't miss the party in this house! The gracious GAS FIREPLACE can warm you on the occasional cool evening and the screened porch beacons on the warm nights. Over the garage is a private room w/ SURROUND SOUND!! w/ a private full bath! Perfect for the man cave or teen cave? 2 other roomy bedrooms are on the first floor and share a bath. THREE FULL BATHROOMS!! Very large, side loading garage. Fenced yard. Wired for alarm. Priced below November appraisal! If sq footage and schools are important double check and measure

Schedule a showing before everyone else, be the first to get the details or be notified of any price or status changes in the future, let us know.
