

Are you giving your commission away and getting nothing in return? At Boykin Real Estate, we have competitive compensation plans, including 100%! We offer a relaxed, yet upscale office environment with a state-of-the-art printer/copier that you'll NEVER have to pay to use and will NEVER run out of supplies.

We offer free training to our agents (including CE), and we have awesome team-building events instead of boring sales meetings! Our on-site broker, with years of experience, will help train and guide you to succeed and we have a mentoring program for newer agents who may need a little extra direction. We've designed our company with the agents in mind and will constantly evolve to suit their needs!

We also offer room to relax! Once you've finished your work day, kick your feet up and have a beverage from our fully-stocked fridge or a snack. We'd love to have you as part of our team! If you want training, support, freedom, and FUN, contact us today to set up a confidential interview!!!
