3342 Pinewood Dr

Ridgewood :: Ladson

MLS# 1404159

\$169,900

This home is located in the Ladson area and is at true 4 bedroom home on just over a half acre lot! You can't beat that alone. Newer roof and other updates. The home is laid out with a very functional floor plan. Open the front door and you are greeted by a very wide foyer that offers you a number of options. You can go straight ahead into the great/family room with vaulted ceiling and fireplace. Yep, that is where you can go to just relax right? The current occupant has the space set up to entertain with both a living set and large dining while still having lots of space to move around. To the right is a short hallway that carries you to the secondary bedrooms and a full bath. Each bedroom is spacious and has easy access to that shared bath. To the left, is the master bedroom. You will be surprised by the size. The occupant currently has a king size bed set and a small living set with entertainment area in use. The kitchen features an eat-in area and pantry with a good amount of counter space. Now let's move to the next big feature. Out back there is a screened porch that is large enough to accommodate a seating area and small dining area...again plenty of room for entertaining. Outside the screened porch is a patio area leading to a large deck. All of this overlooking an enormous back yard. Enough room for a pool or other structures and the area is not governed by additional restrictions. This property may qualify for down payment assistance, so feel free to inquire with your agent.
