

THE SAFETY OF OUR CUSTOMERS & ASSOCIATES IS OUR #1 PRIORITY

At Carolina One New Homes, we are taking these precautions surrounding the Coronavirus (COVID-19):

- We are working by appointment only at this time.
- We will conduct only one meeting at a time inside model homes.
- We ask you to please respect “social distancing” practices. Forgive us for not shaking your hand!
- We ask that you not touch anything unnecessarily in model homes (please ask the same of your children).
- We ask that you return at a later date **IF YOU ARE EXPERIENCING ANY RESPIRATORY SYMPTOMS AT ALL.**

We look forward to working with you and appreciate your patience as we manage our way through the COVID -19 outbreak. If you have any questions please contact the office at 843.202.2020. **THANK YOU!**
