

REFERRAL PROGRAM

COVID 19 has brought about a lot of changes and uncertainty in the world. As REALTORS, we know this has put even more stress on you and your business. We wanted to remind you that CREC Property Management is here as a resource for you. If you need another option for a home that is not able to sell right now, we would love the opportunity to rent it out. We ensure every property stays connected with you as the referring agent and that the client is directed right back to you when it is time to sell. In the meantime, we give you a \$350 Visa card for every managed property you send our way!

\$350 REFERRALS!

Referral

Send us the information of your customer or client and let us take it from here! We want you to be able to focus on your Real Estate career and trust that we will take great care of your clients until they are ready to list.

Communication

We keep you in the loop! After we complete our 6 month property inspection we will notify you so you can reach back out to the owner about listing when the lease ends.

Compensation

All actively licensed agents will receive a \$350 Visa gift card for every property management lease we secure and rent from their referral.

Trust

These are your clients. When they are ready to list, we send them right back to you. We appreciate you trusting us to handle their property!

ABOUT US

Local, unique and hassle-free property management. We offer everything your homeowners need, when they need it. Your experience should be as relaxing and carefree as possible. That's why we have designed a menu of services for you. We are proud to work with our amazing agents and hope to work with you soon!
