

CHARLESTON REAL ESTATE GROUP REALTOR REFERRAL PROGRAM

Get Paid for Referring Property Management Leads

HOW IT WORKS

- **Refer**: Do you have a client or customer who wants to rent their property? Send us their contact information, let them know we can help, and let us take it from there.
- **Get Paid**: Referring agents will receive \$350 when the first lease is signed for the referred property. If the property is already rented, we'll pay you \$200 after the first month's rent is collected.
- **Make More Money**: When the property owner is ready to sell, we will refer them back to you.
