

New Pricing from Keen Eye Marketing

CVH360 is pleased to continue its partnership with Keen Eye Marketing to offer full-motion video tours to our services. Professional-quality videos get results! In an increasingly technological world, clients expect a comprehensive and sophisticated online listing - Keen Eye Marketing handles the technology so you can focus on the sale. For the same cost of an "Open House," a video marketing package lasts until your property sells or leases.

\$275

When you order a Keen Eye video package as an add-on to a CVH360 photo tour, you receive:

- Professionally-edited High Definition (720p) video tour that breathes life into your listing.
- MLS-compatible video ready to integrate into your MLS property listing.
- Posting on all major Keen Eye social media accounts (Facebook, LinkedIn, YouTube, etc) which will significantly increase online traffic to your property listings and drive sales.
- Google Earth Pro zooming introduction showing surrounding area.
- Property-specific royalty-free music.
- A recent NAR report finds that 70% of sellers prefer to list with agents who offer full-motion video presentations of their listings, yet only 1% of agents utilize video. Now's your chance to take an unfair advantage!
- **A \$25 discount off of a Keen Eye Marketing video & your video is automatically linked to your virtual tour.**

Virtual Tours

As always, we offer virtual tours to fit any budget, any property, or any taste. If you already have some photos that you like and just want a quick and easy tour solution, no problem. Simply order a Do-It-Yourself virtual tour, send us your photos (or tell us where to download them from) and you will have a slideshow tour ready for you - usually the same day that you order.

Our other tour packages require us to make a house call, but it will be well worth it. We shoot every room/area and most from multiple angles. We do not apply silly limitations on how many shots you get. We shoot it all, no matter how many still shots or virtual scenes are needed. Once the tour is reviewed and approved, we can post it to the MLS for you. We can also post up to 24 stills to your listing. Posting to **MLS & Realtor.com** is **FREE**...just ask!! And of course, we offer free email marketing for all virtual tours we produce, even the ones where we use your photos!

Come see how CVH360 can be your all-inclusive virtual tour and internet marketing provider, including HD Video from Keen Eye Marketing & Aerial Photography from Red Zeppelin
