

New Year! New Product! New Prices!

We hope that you enjoyed your holiday fun with family and friends, and we hope that the New Year is one filled with happiness. To help add some joy, we are proud to announce some great changes here at cvh360.com. Effective immediately, we have lowered our tour prices across the board. And we are excited to officially unveil our newest virtual tour product: the **SuperPano**! This new tour has all the clarity and balanced lighting of the Pano, but adds the vertical exposure of the Fisheye, all without any warping or aberrations. Be sure to click on the thumbnails below to see all the samples.

Virtual Tours

As always, we offer virtual tours to fit any budget, any property, or any taste. If you already have some photos that you like and just want a quick and easy tour solution, no problem. Simply order a Do-It-Yourself virtual tour, send us your photos (or tell us where to download them from) and you will have a slideshow tour ready for you - usually the same day that you order.

Our other tour packages require us to make a house call, but it will be well worth it. We shoot every room/area and most from multiple angles. We do not apply silly limitations on how many shots you get. We shoot it all, no matter how many still shots or virtual scenes are needed. Once the tour is reviewed and approved, we can post it to the MLS for you. We can also post up to 24 stills to your listing. Posting to **MLS & Realtor.com** is **FREE**...just ask!! And of course, we offer free email marketing for all virtual tours we produce, even the ones where we use your photos!

Mailblasts

Do you have a listing or real estate-related service or event that needs some extra advertising, and want it done quickly? We can produce a MailBlast email flyer that can be sent to thousands of agents in CTAR - other regional real estate markets available as well for the same cost. You can provide a flyer in a multitude of formats (JPG, GIF, DOC, PDF, PUB, etc) and we will convert it to a high-quality email-ready flyer.

If you want us to make the flyer for you, there is NO ADDITIONAL FEE!!

Come see how CVH360 can be your all-inclusive virtual tour and internet marketing provider, including HD Video from Keen Eye Marketing & Aerial Photography from Red Zeppelin
