

LET'S WORK TOGETHER TO HELP OUR NEIGHBORS THIS HOLIDAY SEASON

Between now and November 20th, for every virtual tour order placed through CVH360.com, we will donate 5% of your total purchase price to one of several pre-selected charities. And while we are at it, we will also discount your order at checkout by 5% so that you might have a little something extra left over that you can donate where you choose.

We are asking that you use one of the codes below that is associated with a specific charity so that we can accurately donate to that charity based on your preference.

We will make our donations in time for Thanksgiving so that these local charities can do their best to serve those among us who could best benefit from having a touch of normalcy and comfort this holiday season.

No matter where you choose to donate your money or your time, please remember to do whatever you can to help, and not just during the holidays, but all throughout the year.
