

Vacation Time is Almost Here!

CVH360 will be working limited hours from June 12th to June 23rd. Thomas will be going out of town for a week of family fun. However, Mendi will still be available to shoot tours. We simply want to make you, our valued customer, aware that if you (and your homeowner/client) need a tour shot during this time away, we will make every effort to accommodate your schedule. But delivery of the finished tour cannot be guaranteed until at least June 24th due to limited access and/or speed of internet service while out of town.

To help encourage everyone to get their orders in early so that we can get them done before we slow down and relax, here is a quick discount available until June 10th. Enter “**Vacation2014**” at checkout to receive 10% off your total order.*

We hope you have a chance to spend some quality time with your loved ones this summer as well!
And we will be back to normal amazing full-service 24-hour delivery times as of June 24th.

**Discount applies to tour products only. Must be ordered by 06/10/14, but can be shot at a later date if you'd like.*
