

Private & Spacious Home - ONLY \$230,953

GORGEOUS SHOW CASE HOME ON .32 ACRE

- 3 Bedrooms
- 2.5 Baths
- Loft
- Library
- Formal Dining Room
- Screen Porch
- Chef's Dream Kitchen w/ Large Island
- Gorgeous Silestone Counter Tops

The Woodlief plan is the first to be built in the Charleston area! This home features 3 spacious bedrooms, 2.5 baths, formal dining room, library, kitchen/breakfast area, family room, and loft. The kitchen provides plenty of cabinets and countertop space for all of your entertaining needs. Features include upgraded 36" staggered cabinets with crown molding, Silestone countertops, stainless GE appliances, large kitchen island with pendent lights, recessed lighting, and pantry. Upgraded laminate floors in foyer, extended foyer, dining room, family and kitchen/breakfast area. Owner's suite features a tray ceiling, luxury bath with large soaking tub, separate cultured marble shower, his/her sinks, and large walk in closet. Exterior offers beaded vinyl siding, screen porch and a 2 car garage. Energy efficient features include radiant barrier roof, single hung dual paned Low E vinyl windows, fiberglass insulated front door, and insulated garage door. Home will be ready in November.
