13 ISLAND LIVING OPPORTUNITIES

Academy Park is a boutique style community where you 'll know all your neighbors: there's only 13 ranch-style homes coming to this spot! These homes feature incredible upscale designs with luxury craftsmanship.

You'll be within minutes of the beautiful waterways and beaches of the Beaufort area, but you won't need to drive anywhere at all to experience natural beauty. Each home backs up to a private wooded or pond area surrounded by an abundance of decades old live oaks trees covered in the Lowcountry's memorable moss.
