The Grill Cleaning Professional

The National Fire Protection Association reports that "From 2009-2013, fire departments responded to an average 8900 home fires involving grills". **"The leading causes of grill fires were a failure to clean"**! Grill Rehab's unique grill cleaning process provides many benefits for grill owners including:

- ♦ Removing harmful carcinogens and charred particles that can be passed on to food.
- ♦ Professionally cleaning burners and interior parts to improve performance, prevent future corrosion, and prolong the life of your investment.
- ♦ Removing stubborn grease deposits, drastically reducing the risk of a dangerous grease fire.
