

Looking for a Home in I'on

I have clients who are coming into town the first week of October. They have identified I'On as their neighborhood of choice. They are looking for something with 3 bedrooms PLUS an ADU or a Mother-in-Law suite.

I was wondering if you have any past clients in I'On who would consider selling or know of anyone who is looking to list in the near future.

Thank you so much and I would love to work with you.
