

Looking for a Home in I'on

I have clients who are coming into town this week. They have identified I'On as their neighborhood of choice. They are looking for something with 3 bedrooms ***PLUS*** an ADU or a Mother-in-Law suite.

I was wondering if you have any past clients in I'On who would consider selling or know of anyone who is looking to list in the near future.

Thank you so much and I would love to work with you.
