

ISO of a Property Manager

I am looking for a property manager that has the skills and demeanor to work with tenants in all situations that arise. You will be working with 165 mobile homes in 4 separate parks. You will be working with the Property Manager-in-Charge and duties will include all work associated with the operation of the parks including rent collection, maintenance, tenant issues and evictions. The ideal candidate will be able to speak Spanish as a predominance of the tenants are Latino. The parks are located in North Charleston, Moncks Corner and Knightsville.
