**HAVE A CLIENT RELOCATING TO CHARLESTON?
HAVEN'T FOUND THEM THE PERFECT PLACE YET?**

WE CAN HELP!

Is your client planning on a Charleston relocation in 2017?

Don't stress about not having a turnkey house yet.

Island Realty offers monthly winter rentals to offer people a true taste of the Charleston winter lifestyle, without the commitment.

Recommend this option to a current or prospective client and allow him or her to enjoy the mild weather, the natural beauty, and the exciting area events throughout the winter. They'll be clamoring to move here full-time as soon as their stay is done!

Monthly rentals range from one - three months and include telephone service, water, electricity, and basic cable. Discounted rates are available for monthly rentals. Winter rentals are also available from three - six months, including telephone service, water, electricity, and basic cable. With a stay of this length, renters are legally in a lease and therefore enjoy a tax exempt stay! See some of our monthly winter rental options at bit.ly/IRwinterrentals
