

Our Readers Want to Know About Health Care!

*Market your medical expertise in the next issue of
Mount Pleasant Magazine.*

Mount Pleasant Magazine's March/April 2014 edition will feature a special **Doctors' Section** in observance of Doctors' Day, which takes place on Sunday, March 30.

This special section will feature helpful information for readers of Mount Pleasant Magazine on pertinent health care topics, as well as profiles of various physicians practicing in East Cooper.

Your custom profile will appear not only in Mount Pleasant Magazine's print edition for March/April 2014, but also on MountPleasantMagazine.com and MountPleasantPhysicians.com, a member of South Carolina's largest network of medical websites. All articles will link back to your practice's website.

*For information about being in this section,
contact us today!*
