

I have a buyer looking in Mt Pleasant

Do you have a pocket listing in the range of \$400,000 - \$550,000?

I have a well-qualified & motivated buyer looking in northern Mt. Pleasant.

They will be in town right after Christmas and are ready to deal!

Do you have a pocket listing just waiting for the holidays to end?

My client is looking for a newer home or one in good condition and would prefer a home with a garage suitable for boat storage.

Please reach out to me.
