

Attention Agents!

NACA RE Department is hiring a FT In-House Agent in it's Charleston Office. Real estate experience preferred.

Agents have their own office (with front desk customer service available for clients/members) and flexibility working in the office and from home.

NACA provides excellent qualified leads, as members are Fully Approved when they are assigned to agents. In addition, NACA is committed to educating and helping its community members with homeownership.

If you would like to be part of this organization, please text Marie at 843-670-1165 for an appointment
