

Lock and Shop

You can now lock in your loan and start shopping for your dream home! If you're worried about rates going up, we've got you covered for the next 90 days! With our Lock and Shop Program, the rate is locked and secured. If rates go down, we offer a float down option!

Lock Information

- 90 day lock
- No Upfront Fee
- Must be credit approved before locking your rate
- Float Down: 0.125% added to the new rate
- Lock in great rates today, find your dream house later!

Reach out today to take advantage!
