

GREAT AERIAL PHOTOS

the single most effective marketing tool for real estate

"We get one shot on MLS and Aerial Photography is more catchy, informative & compelling than typical photography. It stands-out and makes people excited about the listing."

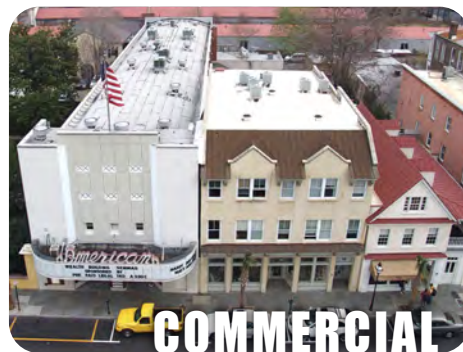

— Jeff Popper, CarolinaOne Agent

Call RED ZEPPELIN for listing photos that make a difference:

- ✦ PROFESSIONAL aerial photographs from a quiet tethered helium blimp.
- ✦ UNIQUE marketing that shows you are committed to your client's needs.
- ✦ PERFECT for houses, commercial listings, lots and developments.
- ✦ DRAMATICALLY shows properties and their complete surroundings.
- ✦ PRECISE elevated views from any position or height up to 500 feet.
- ✦ SHARPER photo detail than any other type of aerial photography.
- ✦ LOCALLY founded, owned and operated out of Mount Pleasant.
