

Former Arkansas Governor Mike Huckabee 2nd Amendment Rights

Here are the Governor's Views on the 2nd Amendment from his website
www.MikeHuckabee.com

- The Second Amendment is primarily about tyranny and self-defense, not hunting. The Founding Fathers wanted us to be able to defend ourselves from our own government, if need be, and from all threats to our lives and property.
- Second Amendment rights belong to individuals, not cities or states. I oppose gun control based on geography.
- I consistently opposed banning assault weapons and opposed the Brady Bill.
- As Governor, I protected gun manufacturers from frivolous law suits.
- I was the first Governor in the country to have a concealed handgun license.
