- I support and have consistently supported passage of a federal constitutional amendment that defines marriage as a union between one man and one woman.
- As Governor of Arkansas, I led the successful effort to pass a similar state constitutional amendment in 2002.
- As Governor of Arkansas, I led the successful effort to make our state only the third to adopt "covenant" marriage.
- Our true strength comes from our families.

I support and have always supported passage of a federal constitutional amendment that defines marriage as a union between one man and one woman. As President, I will fight for passage of this amendment. My personal belief is that marriage is between one man and one woman, for life.
