

Warren Sloane

for Town of James Island Mayor

Hello, my name is Warren Sloane, and I am running for Mayor of James Island. Some of you may already know me from our Real Estate interactions. But those of you who are not familiar with me as an advocate for a better James Island, please visit my campaign site for more details. But for a brief synopsis, please read on.

We are living in a tumultuous time for residents of the newly-formed town. Our current mayor has been accused of unethical practices while basic needs and requirements of the town have been ignored. Here you will find my response and take on the issues at hand as well as articles and videos pertaining to the race. Please take a moment to read and watch the material presented here, and I hope you decide to support my candidacy.

I have been active in my professional business association, especially promoting the high ethical standards REALTORS® subscribe to. I sit on the Professional Standards Committee, which enforces the REALTOR® Code of Ethics, leads the Property Managers' Association and serves of as a board member of the Charleston Trident Multiple Listing Service, all connected with the Charleston Trident Association of REALTORS®.
