

Custom Homebuilding from Award-Winning Brightwater Homes
Agents Protected

Looking for the right builder for a new custom home in Charleston?
Brightwater Homes offers a one-of-a-kind, collaborative design-build experience. Home buyers can select a Brightwater floorplan design as inspiration or start from scratch with our award-winning architectural team. One of our professional interior designers will make sure it all comes together beautifully. Then, our team of building professionals will bring it to life, ensuring the highest quality and expert craftsmanship in every detail.
