**SpiritLine Cruises wants to welcome all Real Estate Agents
aboard for a special dinner cruise offer.**

The best way to show your clients the Charleston area or say thank you is to show them the Charleston Harbor! SpiritLine Cruises would like to offer you an opportunity to sail and dine with us for \$10 off per person up to 6 people on October 17, 18 & 19. You and your guest(s) will experience our new "Live & Local" cruise. That means a focus on fresh local ingredients in our menu. You will taste the "farm to table" difference in your 3 or 4 course dinner, made to order onboard. It also means live music by a local artist every night we cruise. The views, the music, dancing and dining will make your dinner cruise experience an evening to remember.
