How to Win the \$50 Affordabike Gift Card

In order to qualify for the \$50 Affordabike Gift Card, be sure to pick up one of these flyers (or bring your own). At each open house you go to, have the host agent sign next to the house. Please visit at least two! Leave your flyer with your name and number on it at the last house. Then we'll hold a random drawing around 2:30, and will text you if you are the winner!
