Welcome to Vincent Drive! Traditional living in the heart of Mount Pleasant's popular Coleman Boulevard district. These semi-custom new construction homes with luxury finishes are built by a local builder, and are just minutes away from Sullivan's Island beaches and downtown Charleston. From here you have access to I-526, all the best shopping, dining, and unlimited recreational opportunities around Coleman Boulevard & Shem Creek. These homes include hardwood oak floors, shaker-style cabinets, ship-lap trim detail, crown molding, granite countertops, stainless steel Bosch appliances, 10' ceilings, low-maintenance cement plank siding & trim, architectural shingle roof, and a double porches. They each have a downstairs master with a large master bath that has upscale tile, walk-in shower, and tub. Get a custom feel in the middle of urban living. **Sellers offering a golf cart incentive - see agent for details!**
