That is the operative phrase here. The owner has painstakingly made sure this home is ready for the new owner. Roof, carpet, doors, thermostat, windows, and much more have been upgraded recently. Located in the Dorchester II school district and close to shopping, you will not be disappointed in this one. Home features 4 bedrooms and still has room for a garage. The location offers a private backyard made possible by privacy fencing. May qualify for special financing options. Ask for details.
