\$175,000

Amazing Floor Plan with plenty of space. Home opens up with a large ceramic tiled foyer and formal dining room. Living room offers fireplace and is open to the kitchen. HUGE kitchen with lots of cabinet space and a built in work station. Kitchen also has ceramic tile. Large Laundry room downstairs. Upstairs you will find three very spacious secondary bedrooms and a large master bedroom with tray ceilings. The master bedroom has a good size walk in closet and also offers easy access attic storage thru a full size door. Master Bathroom has his and her sinks, a garden tub and stand up shower. Enjoy your time on the full front porch or beautiful screen porch. Back yard has a 6 foot privacy fence, great for entertaining.
